242.1470 Demurrage and detention charges.

(a) Carrier demurrage rules usually allow for a “free time” for loading or unloading cars or for any other purpose, and impose charges for cars held beyond this period. If a contractor detains railroad cars beyond the “free time,” the contractor has to pay the carrier’s published tariff charges for demurrage.

(b) Detention results when a shipper or consignee holds motor carrier equipment beyond a reasonable period for loading, unloading, forwarding directions, or any other reason. Detention rules and charges are not uniform; they are published in individual carrier or agency tenders.

SUBPART 242.70—CONTRACTOR BUSINESS SYSTEMS

SOURCE: 76 FR 28868, May 18, 2011, unless otherwise noted.

242.7000 Contractor business system deficiencies.

(a) *Definitions.* As used in this subpart—

Acceptable contractor business systems and *contractor business systems* are defined in the clause at 252.242-7005, Contractor Business Systems.

Covered contract means a contract that is subject to the Cost Accounting Standards under 41 U.S.C. chapter 15, as implemented in regulations found at 48 CFR 9903.201-1 (see the FAR Appendix).

Significant deficiency is defined in the clause at 252.242-7005, Contractor Business Systems.

(b) *Determination to withhold payments.* If the contracting officer makes a final determination to disapprove a contractor’s business system in accordance with the clause at 252.242-7005, Contractor Business Systems, the contracting officer shall—

(1) In accordance with agency procedures, identify one or more covered contracts containing the clause at 252.242-7005, Contractor Business Systems, from which payments will be withheld. When identifying the covered contracts from which to withhold payments, the contracting officer shall ensure that the total amount of payment withholding under 252.242-7005, does not exceed 10 percent of progress payments, performance-based payments, and interim payments under cost, labor-hour, and time-and-materials contracts billed under each of the identified covered contracts. Similarly, the contracting officer shall ensure that the total amount of payment withholding under the clause at 252.242-7005, Contractor Business Systems, for each business system does not exceed five percent of progress payments, performance-based payments, and interim payments under cost, labor-hour, and time-and-materials contracts billed under each of the identified covered contracts. The contracting officer has the sole discretion to identify the covered contracts from which to withhold payments.

(2) Promptly notify the contractor, in writing, of the contracting officer’s determination to implement payment withholding in accordance with the clause at 252.242-7005, Contractor Business Systems. The notice of payment withholding shall be included in the contracting officer’s written final determination for the contractor business system and shall inform the contractor that—

(i) Payments shall be withheld from the contract or contracts identified in the written determination in accordance with the clause at 252.242-7005, Contractor Business Systems, until the contracting officer determines that there are no remaining significant deficiencies; and

(ii) The contracting officer reserves the right to take other actions within

the terms and conditions of the contract.

(3) Provide all contracting officers administering the selected contracts from which payments will be withheld, a copy of the determination. The contracting officer shall also provide a copy of the determination to the auditor; payment office; affected contracting officers at the buying activities; and cognizant contracting officers in contract administration activities.

(c) *Monitoring contractor's corrective action.* The contracting officer, in consultation with the auditor or functional specialist, shall monitor the contractor's progress in correcting the deficiencies. The contracting officer shall notify the contractor of any decision to decrease or increase the amount of payment withholding in accordance with the clause at 252.242-7005, Contractor Business Systems.

(d) *Correction of significant deficiencies.* (1) If the contractor notifies the contracting officer that the contractor has corrected the significant deficiencies, the contracting officer shall request the auditor or functional specialist to review the correction to verify that the deficiencies have been corrected. If, after receipt of verification, the contracting officer determines that the contractor has corrected all significant deficiencies as directed by the contracting officer's final determination, the contracting officer shall discontinue the withholding of payments, release any payments previously withheld, and approve the system, unless other significant deficiencies remain.

(2) Prior to the receipt of verification, the contracting officer may discontinue withholding payments pending receipt of verification, and release any payments previously withheld, if the contractor submits evidence that the significant deficiencies have been corrected, and the contracting officer, in consultation with the auditor or functional specialist, determines that there is a reasonable expectation that the corrective actions have been implemented.

(3) Within 90 days of receipt of the contractor notification that the contractor has corrected the significant

deficiencies, the contracting officer shall—

(i) Make a determination that—

(A) The contractor has corrected all significant deficiencies as directed by the contracting officer's final determination in accordance with paragraph (d)(1) of this section;

(B) There is a reasonable expectation that the corrective actions have been implemented in accordance with paragraph (d)(2) of this section; or

(C) The contractor has not corrected all significant deficiencies as directed by the contracting officer's final determination in accordance with paragraph (d)(1) of this section, or there is not a reasonable expectation that the corrective actions have been implemented in accordance with paragraph (d)(2) of this section; or

(ii) Reduce withholding directly related to the significant deficiencies covered under the corrective action plan by at least 50 percent of the amount being withheld from progress payments and performance-based payments, and direct the contractor, in writing, to reduce the percentage withheld on interim cost vouchers by at least 50 percent, until the contracting officer makes a determination in accordance with paragraph (d)(3)(i) of this section.

(4) If, at any time, the contracting officer determines that the contractor has failed to correct the significant deficiencies identified in the contractor's notification, the contracting officer will continue, reinstate, or increase withholding from progress payments and performance-based payments, and direct the contractor, in writing, to continue, reinstate, or increase the percentage withheld on interim cost vouchers to the percentage initially withheld, until the contracting officer determines that the contractor has corrected all significant deficiencies as directed by the contracting officer's final determination.

(e) For sample formats for written notifications of contracting officer determinations to initiate payment withholding, reduce payment withholding, and discontinue payment withholding in accordance with the clause at DFARS 252.242-7005, Contractor Business Systems, see PGI 242.7000.
